OUR WAREHOUSE IS LOCATED AT

Discovery Cove Industrial Estate
Unit 16/1801 Botany Road, Banksmeadow

It's easy to find. If you're heading east along Foreshore Road, turn left at the traffic-light intersection of Foreshore and Botany Roads.

You will then pass the Botany Bay Hotel on your right and reach a roundabout. Turn right at the roundabout and enter the Discovery Cove Industrial Estate.

Follow the road round to the right and you will soon reach the loading area for Unit 16.

IMPORTANT PICKUP INFORMATION

Our assisted collection service operates by appointment only

Monday to Friday 8:00am - 3:00pm
Saturday 8:00am - 11:30am
(except on public holidays)

We are only able to provide our collection service for certain products that meet our maximum size and quantity criteria - our friendly team members will be able to provide you with this information.

You will be required to assist in the loading of your vehicle. Prior to loading your furniture you must sign that the items you are collecting are in good order. Shack accepts no liability or responsibility for personal injury, damage to your vehicle or the furniture you are collecting. Our warehouse team reserve the right to refuse any collection deemed dangerous and in cases in which we can foresee damage or injury occurring. In this instance, you will be required to pay for our delivery service or use a professional carrier to collect on your behalf.

Prior to collection please measure your vehicle to ensure your product will fit safely. Also bring some old blankets to protect your product in transit and straps or rope to secure your item.

We kindly ask you to consider if collection is a suitable option for you. More often than not our products are heavy and carrying your piece may prove to be very challenging in some circumstances and there is possible risk of you damaging your item or injuring yourself.

Our standard subsidised delivery service is an affordable and professional option to consider. Please ask our staff to quote and they can arrange to have our professional delivery team do all the hard work for you.
